Recommendation

We **always** recommend you few options.

Options

Because you should always have a **choice**

Alternative

We don't mind a difference of opinion and are **happy** to look for *alternatives* :)

“OUR SECRET

We extract data from SPOTIFY

We cluster based on multiple audio features

We recommend songs based on their current
billboard standing and Genre

Our product is just not recommending
you any song but the songs rated best
in the history.
